WELCOME BACK TO THE ALBURY MUSIC FESTIVAL 2026!

Welcome to the Albury Music Festival! We have grown from a small gathering of musicians and music lovers in a field to a full-on music festival that attracts some amazing musicians and raises money for local charities.

Our fantastic bands and solo acts kindly waive their fee to play at Albury Music Festival so that more money is raised for charity, and a whole host of volunteers give up their time to ensure the day runs smoothly. We thank you in anticipation of your support and donations today.

Our main objectives remain the same...

To provide a safe and enjoyable day out for the local community

To raise money for our chosen charities and local good causes

To invite along talented local musicians, and to ensure they have fun too.

To encourage you - the audience - to clap, cheer, sing and dance!

The Albury Music Festival remains a **FREE** festival for the community. We raise money from the Bar, BBQ, Raffle and donations given by you, our audience. Please buy a beer and a burger; have a go on the raffle and throw some coins and notes into the charity donation buckets in appreciation of over 6 hours of fun and entertainment. If you haven't got any cash we also have some card machines that can take donations.

In 2026 your donations will be given to **The Phyllis Tuckwell Hospice**. This is the only Hospice Care service for adult patients, their families and carers, living with an advanced or terminal illness, such as cancer; heart, lung or neurological disease, across the whole of West Surrey and part of North East Hampshire.

So let the music begin. Thank you - and enjoy your day!

PPL PRS United for Music licences the use of copyright music across the UK, giving businesses and organisations the legal permission they need to play the music they want. These licences ensure that music publishers, songwriters and composers are fairly rewarded with royalties so they can keep making music - and mean that we're able to support music at events like this.

Some three years later The Happy Now have numerous gigs under their belt, playing private parties and pub nights, including the King William, Horsely, The Royal Oak, Holmbury St Mary, and Guildford's legendary Star Inn.

WHY VOLUNTEERS RUN THE ALBURY MUSIC FESTIVAL

For more than a decade the Albury Music Festival has been organising fantastic annual events and raising money for charity – all the work of a small group of volunteers. We would love more people to get involved, in fact it's crucial. Without more support there's a real danger the festival might not be able to carry on. Do think about giving your time to help stage this fabulous day, whether it's planning, sourcing raffle prizes or finding advertisers for the programme, you could be invaluable.

The festival is only free because of the volunteers who make it happen. And the talented musicians who waive their fees to perform in front of our appreciative audience. Although there is no entry fee we do ask you to dig deep into your pockets when the nominated charity comes through the crowd with their collection buckets. Remember notes are much lighter than coins and we have card machines too.

As well as having fun the day is about raising money for our nominated charity, this year for **The Phyllis Tuckwell Hospice**. Your donation could make all the difference to someone going through cancer treatment, and their family. So please do give as generously as you can.

www.pth.org.uk

The Albury Music Festival Committee hope you have a great day and enjoy the entertainment.

HOW YOUR DONATIONS HAVE HELPED

One of the aims of the Albury Music Festival is to raise money for local charities. Since we started we have given over £70,000 to charities and local causes. Every year we have one main charity. Over the years we have donated money to a variety of charities including but not limited to:

Challengers - It was fantastic working with Albury Music Festival. The money raised went towards paying for awesome activities for disabled children and young people throughout the summer holidays. Having a short break while their child is at Challengers can be the difference between coping and not and is a lifeline to the families that use it. www.disability-challengers.org

Kent Surrey and Sussex Air Ambulance - As a charity we rely on donations and fundraising to enable us to pay for our helicopter, crew, medical equipment, supplies and training – everything that is needed to bring an A and E service to those who need it. People like you make it possible for us to continue this life-saving service www.aakss.org.uk

Riding for the Disabled - The generosity of those who attended The Festival last year gave us a significant boost to our Riding High Campaign to raise money to rebuild our aged and failing stable and social block, the hub of our activity at Casi's Farm in Guildford. Our thanks to the help and support of Albury Music Festival. We are now 82% towards our goal but the fund raising continues until we are all the way there. www.cranleighrdagroup.co.uk

Home-Start Guildford - the fantastic donation from the Albury Music Festival helped us train 22 new volunteers to support local families who are struggling in very difficult circumstances. www.hsguildford.org.uk

Action for A-T - The funds raised at the Albury Music Festival contributed towards ongoing research at Royal Holloway where Professor Rafael Yáñez-Muñoz and his team use the latest genome editing technology, known as CRISPR, to develop strategies to permanently repair the faulty gene which causes Ataxia Telangiectasia (A-T). We are extremely grateful to the festival and everyone involved in raising these vital funds. www.ActionforAT.org

Halow project - halow project was so grateful to be the Albury Music Festival's benefitting charity in 2022. It was a wonderful day and the support of the crowd was amazing. The funds raised have supported our work helping adults across Surrey with learning disabilities and autism to develop their skills and confidence towards their lives as independently and fully as possible. Thank you so much to the festival committee and all the festival-goers for helping our service users to access and make the most of opportunities to learn and to enjoy life. You can see more about our work at www.halowproject.org.uk. We wish you all a fantastic day in 2023!

The Brain Tumour Charity - They are committed to having the biggest possible impact, for everyone affected by a brain tumour in the UK and worldwide. www.thebraintumourcharity.org

Oakleaf Enterprise. Oakleaf Enterprise has provided vocational training for people with mental health needs since 1995. www.oakleaf-enterprise.org

The Fountain Centre - The Fountain Centre is an independent charity supporting cancer patients and their loved ones from diagnosis and beyond. www.fountaincentre.org

THE ALBURY MUSIC FESTIVAL NEEDS

YOU

**Committee members/volunteers needed for the
Albury Music Festival**

If you have skills in event planning, marketing, book-keeping, raising sponsorship or social media, please get in touch. If not, do you know of anyone who might have these skills? Even if you do not have these skills you might want to get more involved with your local community by joining the committee. We also need more volunteers on the day. Your participation could make all the difference to helping us continue. Please contact jill.golding@me.com for more information.
